

Application for Recognition of Training

If you have attended training for the relevant asset reliability or condition monitoring technology which is not on the *Approved Course List (ED009, ED144 or ED146)*, you may use this form to apply for recognition of the training to count towards the training pre-requisites for your certification.

Please complete your details below, then save and e-mail the form as an attachment to the Certification Manager at Mobius Institute Board of Certification (certification.manager@mobiuscertification.org).

You will need to provide evidence of your attendance at the training course (e.g. Certificate of Completion), which will need to accompany this application.

The Certification Manager will notify you of the results of your application within 20 business days of receipt of the completed application form.
